Principal's Message

On behalf of the staff of the school I would like to welcome you all back to school for the 2014-2015 School Year.

A very special welcome goes out to our new Primary 1 Class. I'm pleased to see that they have settled in really well.

Good luck to our former Primary 7 class as they begin their new classes in St. Patrick's High School Keady. I am sure they will do our school proud in the years to come.

Thank-you to all the parents, staff and helpers who made the End Of Year Mass in June such a special and wonderful occasion.

I would like to bring our existing parents and prospective parents attention to two new initiatives that are being launched by the school to support working parents; 'Breakfast Club' and 'Minders Club'. These are important for us and for you as we continue to build the school's reputation and ensure that it becomes a place that continues to fully serve the needs of the community, its parents and its

children.

Fundraising

Please remember to have tickets and money for the Grand County GAA raffle in by Monday 10th of Nov

Additional ticket books are available on request from the school office.

Students of the Month.

Well done to all the recent 'Students of the Month'. They have set a great example and their awards are thoroughly deserved. Who will be next?

Safety Talk

The annual 'Firework Safety' talk took place recently. The important message about safety and awareness came across very strongly. The children paid lots of attention and asked some very interesting questions. Remember to stay safe at Hallowe'en.

**Hallowe'en
Hijinks!**

Spine tingling spooks infested Foley for our horrible Hallowe'en dress up day. Gruesome ghouls and ghosts, witches and wizards haunted the classrooms just before Hallowe'en.

*Good Luck

Keady Library Visits

In liaison with St. Patrick's High School, Mr Kelly's class have been visiting the library in the High School weekly. This is useful to help familiarise the children with the High School and to experience a working Library. We have already been inspired to give our own library a revamp, something that could be a future fundraising focus.
